

Judgment stops here.  
The **Green Collar**  
2nd Chance Employment

NON-NDIS · JOB NETWORK OR SELF-FUNDED

# Employment & peer support **without the NDIS.**

For people who aren't on the NDIS, **The Green Collar** still has a way in. We partner with **Job Network Providers** (Workforce Australia, WISE Employment and others) and also work directly with individuals and families who want to fund support privately. Same lived-experience team. Same wrap-around approach. Same goal — sustainable reintegration.

**Typical commitment:** 2-3 hours per week, including remote support, for 4-6 weeks. That's usually the window where we see connection, confidence and perspective start to shift.

## THROUGH A JOB NETWORK PROVIDER

We work alongside your provider as a specialist peer-support partner for justice-affected and hard-to-place job seekers. Referrals welcome from case managers and program leads.

## INDEPENDENT / SELF-FUNDED

Direct engagement for individuals, families or employers who need practical, no-nonsense support — one-to-one mentoring, group activities, employer brokerage and follow-through.

## WHAT'S INCLUDED

- ✓ 1:1 mentoring & coaching
- ✓ Employer introductions
- ✓ AOD, legal & rehab referrals
- ✓ Group sessions & volunteering
- ✓ Resume, interview & disclosure prep
- ✓ Ongoing in-work support

## INDICATIVE RATE

**\$50 – \$80 / hour**

\$50/hr group sessions · up to \$80/hr 1:1 mentoring. Provider rates negotiated on engagement.

**Can't afford it?** Some Job Network Providers will fund 1:1 sessions if you're unable to pay a cent. I get it.

**A note on our time.** Stu and The Green Collar are always keen to volunteer and happy to take a call when someone is in need. Unless we're engaged with a host organisation (such as WISE Employment), we are 100% self-funded — so we can't commit all of our time to unpaid pursuits. Funded engagements keep the program alive.
